### Perspecta Trust Makes Significant Addition to Management Team

HAMPTON, NH (September 28, 2015) – [Perspecta Trust](#) announced today that it has hired Stephen J. Tall to serve as the firm’s Chief Operating Officer.

In this newly-created role, Mr. Tall will oversee all operational aspects of the firm, focusing on client support, technology, administration and operational efficiency. Mr. Tall joins Perspecta from Acadia Trust, where he served as president and CEO. Prior to joining Acadia, Mr. Tall held senior positions at Fiduciary Trust Company International, including chief administrative officer, chief technology officer and chief compliance officer. Prior to his time at Fiduciary Trust, Mr. Tall was an associate partner at Accenture, where he led international financial services client engagements in technology and operations consulting and outsourcing.

Speaking to the new management addition, [Scott Baker](#), president of Perspecta Trust, stated, “We are very fortunate to have an industry veteran like Stephen join our management team. Our business has grown meaningfully over the years, and Stephen’s addition will help ensure that we have a strong and deep management bench to support and foster this growth.”

Perspecta’s CEO and Chairman, [Paul Montrone](#), states, “New Hampshire has solidly placed itself at the front of the line as a favorable situs for a wide variety of trusts. We are delighted that we are not only attracting clients from around the world, but also high-quality and experienced talent from within the industry.” Mr. Montrone further adds, “We have made Perspecta Trust the logical choice for any family or advisor considering New Hampshire for their trust or Family Trust Company needs. Our mission now, is to simply increase awareness of how families can meaningfully benefit from the very modern and flexible trust statutes found here in our state.”
